Brass thread adapters are made of brass, nickel-plated, RoHS compliant, and are available in various styles:

- Hex wrenching flats - add "H" to the part number when ordering i.e. 194.501H
- Round or Knurled

Plastic thread adapters are made either of Polyamide (plastic) or polycarbonate, depending on model and size. They are light grey unless otherwise indicated with '^'.

Metric thread to NPT thread

Male thread (from)	Female thread (to)	Part No. (Brass)	Part No. (Plastic)
M12	3/8" NPT	—	—
M16	3/8" NPT	194.611 ◦	—
M16	1/2" NPT	194.612 ◦●	193.612^
M20	1/2" NPT	194.622 ◦●	193.622^
M20	3/4" NPT	194.623 ◦	—
M25	1/2" NPT	194.632 ◦	—
M25	3/4" NPT	194.633 ◦●	—
M25	1" NPT	194.634 ◦	—
